

Handout 1 (Part 6 Parent Module)

Anticipation Activity: Gauge Your Familiarity With Best Practices in Partnering

Activity Description: You will watch a 60-second video that illustrates ways that parents can actively and meaningfully participate in their child's school community. This video focuses on trusting family partnerships and shows how parents participate in important school decision-making teams and leadership roles.

Activity Directions:

1. As you watch the video, think about six ways that school-parent partnerships are supported in the video. Afterward, take 10 minutes to elaborate in writing on each of your examples, thinking about how you might develop school-parent partnerships.
2. Spend about 10-15 minutes sharing examples with others.
