

Figure 1: CEEDAR 2.0 Logic model

CEEDAR 2.0 LOGIC MODEL

Goals:

1. To improve SEA capacity to review and strengthen certification/ licensure standards and requirements in collaboration with IHEs and LEAs that operate teacher and leader preparation programs.
2. To improve SEA capacity to adopt and implement rigorous program approval standards.
3. To increase IHE capacity to embed practices and frameworks that are supported by evidence and aligned to state requirements into preparation programs.
4. To increase SEA and IHE capacity to use multiple data sources to inform continuous program improvement.
5. To increase SEA capacity to align and implement statewide plans to include certification/ licensure and program reform to improve outcomes for students with disabilities.
