

## Vision

California education institutions prepare teachers and leaders who have the capacity and will to support all students, including students with disabilities and English learners, to achieve college and career readiness skills.

## State Focus Areas

**Communities of Practice**

**Extensive Support Needs**

**Critical Collaboration**

**Inclusive Leadership**

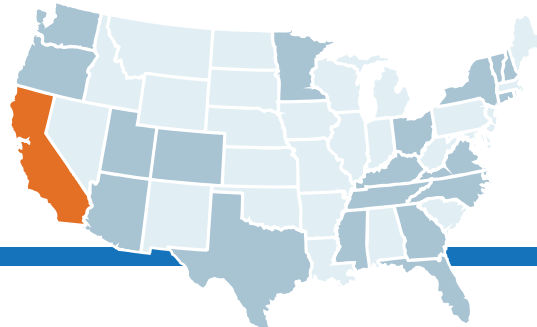

## Quote

*"Sharing my thought process with my students models that even veteran educators are involved in a continuous cycle of inquiry, reflection, and action."*

- Critical Collaboration Webinar Series Attendee

## Collaborative Partners

## Notable Accomplishments

- ➔ Critical Collaboration Webinar Series - a five-part webinar series offered to teacher educators throughout the state, in collaboration with the CA Council on Teacher Education (CCTE) and made available on the CCTE and the California Alliance for Inclusive Schooling (CAIS) websites.

[CAIS](#)[CCTE YouTube Channel](#)

- ➔ Inclusive Leadership Webinar Series - a three-part webinar series offered throughout CA to faculty in higher education leadership programs and their students and to district leaders offering programs to aspiring leaders. The series was a collaboration with the CA Alliance for Inclusive Schooling (CAIS) and the Center for Applied Special Technology (CAST).

- ➔ Crosswalk of CA Teacher Performance Expectations (TPEs) with High Leverage Practices (HLPs) and resources for Clinical Practice- available for teacher educators and found on the CA State University System website.

[CSU Inclusive Education](#)

- ➔ On-line Professional Development Modules (with MTSS focus) for teacher educators - a resource to complement the CA-MTSS universal modules and create a teacher educator pathway in the CA-MTSS existing Canvas course.
- ➔ Community of Practice - initiated at the 2022 Spring CCTE conference to support teacher educators as they redesign programs to meet CA's new program standards.
