## **Post Simulation Reflection/ Teaching Experience for HLP #6**

*Watch your video of the simulated teaching experience and answer the below reflection prompts.*

### **Reflection #1: Start here**

What was your overall rubric score? What was the highlight/strength of this lesson? What is the one area of the rubric that you would like to improve upon?

### **Reflection #2: Alignment**

Do you believe the lesson content aligned with the objective(s) of the lesson? Why or why not? Do you believe the lesson promoted learning for *all* students? If you answered yes, discuss specific examples that promoted critical thinking and high-level connections. If you answered no, what would you do differently in the future?

### **Reflection #3: Engagement**

Do you believe the lesson promoted large group engagement? If you answered yes, discuss specific examples that promoted engagement. If you answered no, what would you do differently in the future?

### **Reflection #4: Questioning & Assessment**

During this simulated lesson teachers were asked to embed a variety of questions to check for student understanding. Do you believe this was done successfully? Why or why not? Discuss specific examples of how the teacher provided opportunities for students to demonstrate understanding of lesson objectives.

**Reflection #5: Overall**

What would you do differently as a result of this experience? What do you need to learn more about to deepen your understanding of high leverage practices and effective classroom teaching? Name one specific next steps that you will do to make this happen.
