

## **PD Pack: Data & Outcomes**

**About this PD Pack:** This PD Pack explores and examines issues related to collecting, analyzing, and reporting teacher and leader preparation data that supports program improvement in the service of ensuring candidates are learner ready as defined in the Council of Chief State School Officers (CCSSO) task force report *Our Responsibility, Our Promise* (2012). Learn about best practices and evidence-based strategies from former Network for Transforming Educator Preparation (NTEP) states, the CEEDAR Center, and other research centers and national organizations.

---

### **Introduction to Data & Outcomes**

About: Learn about the origins of data assessment within education and the promises underlying continuous improvement objectives for all students.

Guest Speaker: Dr. Saroja R. Warner, Program Director, Educator Workforce, CCSSO
