

## **PD Pack: High Leverage Practices (HLP)**

**About this PD Pack:** This PD Pack will focus on developing a common understanding of High Leverage Practices (HLP) that support students with disabilities. Part I will provide an introduction and overview of the HLPs. Part II will provide opportunities for participants to deepen their understandings and utilization of HLPs. Part III will provide strategies to implement HLPs both within EPP programs and across statewide systems.

Facilitators: Dr. Melinda Leko, University of Florida CEEDAR Center | Dr. Day Patterson, Georgia State University | Kate Adams, CEEDAR Center | Cristina Alvarez, AIR

---

### **Module 1: Introduction & Overview**

About: High leverage practices are essential dimensions of instruction. This module provides an overview of HLPS and describes how they are essential to promoting improved outcomes and are appropriate for all learners.
